PRESIDENT'S CORNER

To Katydid's and Friends,

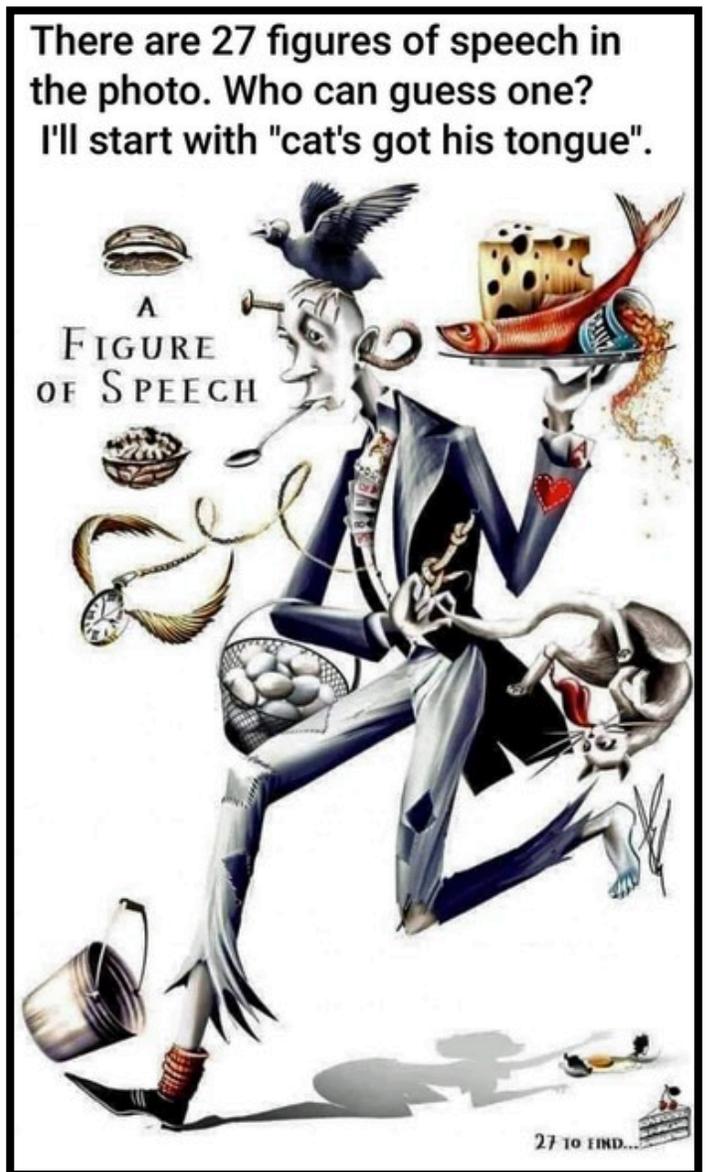

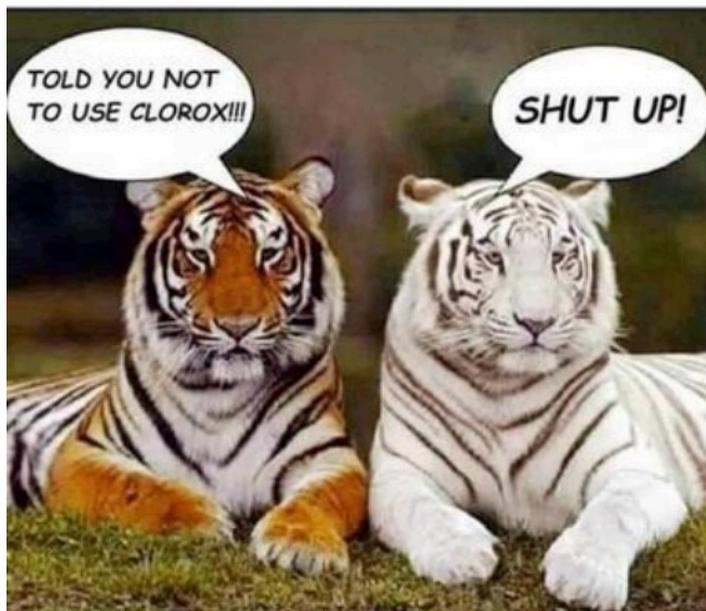

Many thanks to **Jim** for figuring out and implementing our Friday night ZOOM dances where we even do a bit of dancing! It has been a lot of fun, challenging at times, and even a bit chaotic on occasion when everyone wants to talk at once. We'll take it . . . getting together and sharing stories is good therapy for all of us.

Recently I heard that one of our favorite fur friends passed away. We are sorry to hear the news that **Toby, Pat** and **Jeff's** dog, waited until Pat returned from her trip to SE Asia to say his final good-bye. Friend, **Mark Mason**, recently returned from a trip to the midwest. He'll share his story with us next month. And, heard last Friday that member, **Bea Clark**, had back surgery and is home recovering. We look forward to seeing her back on the dance floor as soon as she is able.

In regards to our application to dance at the Salvation Army in Santa Clara on Friday nights, I have received word that once they are allowed to rent space to groups again, and the social distancing rules have been eased so we can dance again, we will have to get a new agreement signed and approved. The original application is no longer useful because the agreement we originally had in the approval process is no longer applicable. I'll let you know when I heard of any further developments on this.

In the meanwhile, come ZOOM with us on Friday nights.

Stephanie
